

# **ONLINE TRAINING PROGRAMME ON TRANSITIONING FROM INFORMALITY TO FORMALITY**

**July 8-10, 2020**

**V.V.Giri National Labour Institute  
Sector – 24, NOIDA-201301  
Gautam Budh Nagar  
Uttar Pradesh**

## **Transitioning from Informality to Formality**

### **Aim**

The training programme aims to enhance the capacity of the participants to understand the statistical and measurement issues and characteristics of the informal economy workers from international and national perspective. The course will also focus on steps taken towards formalization of workers and economic units at national and international level in accordance with the Recommendation 204 of the ILO. Further the course will also provide the opportunity to discuss the effect of Covid-19 on the informal workers and economic units.

### **Objectives**

The programme is specifically being organised by the Institute in order to achieve following main objectives:-

- Impart knowledge on the concepts, statistical and measurements issues involving informal economy;
- Provide understanding about the composition and characteristics of the informal economy;
- Learn about the effect of Covid-19 on the informal economy workers and enterprises
- Share good practices and lessons learnt from national and international context relating to design and implementation of

### **Course Profile**

The concept of informality and how to measure informality and its main drivers; integrated strategy and institutional framework for transition towards formality; labour reform and enactment of labour codes in India and its implications for transition to formal economy; Extension of social protection and skills development as a formalization strategy; Role of workers and employer's organization in promoting formality; transition to formal economy – sharing of good practices and lessons learnt from national and international level.
